

RAHUL EKADI

REACT.JS DEVELOPER

rahulekadi572002@gmail.com | +91 77559 65132 | Nashik, Maharashtra | [LinkedIn](#)

PROFESSIONAL SUMMARY

React.js Developer with 2+ years of experience delivering 8+ client projects across e-commerce, hospitality, car rental, job portal, and business domains. Proficient in React.js, JavaScript (ES6+), HTML5, CSS3, and Bootstrap, with hands-on experience building responsive interfaces, reusable React components, application state, and component-based UIs. Experienced in translating client requirements into polished, responsive web experiences through iterative feedback and close collaboration.

TECHNICAL SKILLS

- React.js: Functional Components, Reusable Components, Component-Based Architecture, State Management
- Frontend: JavaScript (ES6+), HTML5, CSS3, Bootstrap, Responsive UI Development
- Tools & Workflow: Git, GitHub, Version Control
- Core: Client Requirement Analysis, Cross-Browser Compatibility, Mobile-First Responsive Design, UI Development

PROFESSIONAL EXPERIENCE

Frontend Developer | Bits & Bytes Services Pvt. Ltd. | Aug 2024 – Present

- Developed responsive web interfaces for 8+ client projects across e-commerce, hospitality, car rental, and job portal domains using React.js, HTML5, CSS3, and Bootstrap.
- Built 5–10 reusable React.js components and managed application state, delivering consistent UI behavior across 4–6 screens per project.
- Owned 50–70% of frontend architecture within a 2–3 member team, delivering complete client websites in 1–2 week turnaround cycles.
- Collaborated directly with 3–5 clients through 3–5 iterative feedback rounds per project, translating business requirements into frontend implementations.
- Ensured cross-browser compatibility across 3 major browsers and full responsiveness across desktop, tablet, and mobile for delivered projects.

Web Development Intern | Netleap IT Training & Solutions | 2023 | 6 Months

- Built responsive web pages across 4–6 screens per project using HTML5, CSS3, JavaScript, Bootstrap, and React.js fundamentals within a collaborative intern team.
- Gained hands-on experience with React.js fundamentals and contributed to frontend development tasks in a team environment.
- Developed and styled UI layouts using Bootstrap, maintaining mobile-friendly and visually consistent interfaces.
- Strengthened core web development skills through real-world project exposure using HTML, CSS, and JavaScript.

REACT.JS & FRONTEND PROJECTS

Ashoka Hospitality | React.js | Live

- Built a hospitality website using React.js for Ashoka Hospitality, showcasing 3 hotels and resorts in Bhandardara.
- Implemented frontend experiences for room browsing, stay bookings, and wedding venue details to support guest inquiries and bookings.

Job Portal | HTML5, CSS3, JavaScript, Bootstrap | GitHub

- Developed a full-featured job listing platform with user registration, login authentication, and dynamic job search functionality.
- Focused on clean UI and seamless navigation across desktop and mobile devices.

Car Rental Website | HTML5, CSS3, JavaScript, Bootstrap | Live

- Developed a responsive car rental platform featuring vehicle browsing, booking and availability, and contact forms for lead generation.
- Delivered the interface with a mobile-friendly layout and responsive user experience.

Exporting Website | HTML5, CSS3, JavaScript, Bootstrap | Live

- Developed a professional business website for an exporting company with product catalogue, inquiry forms, and lead-generation capabilities.
- Designed clear product presentation and responsive layouts to support client engagement.

Bits & Bytes Services Website | HTML5, CSS3, JavaScript, Bootstrap | Live

- Developed the official company website showcasing services and enabling client contact through integrated lead-generation forms.
- Implemented a responsive interface across desktop, tablet, and mobile screen sizes.
